Upon determination that any Parcel of Taxable Property within a Final Map is Developed Property, the Backup Special Tax for each Parcel of Single Family Property and Multifamily Property within such Final Map shall be established as the Assigned Special Tax for such Parcel at the time such Parcel's Developed Property Assigned Special Tax rate is established. On July 1st of each Fiscal Year commencing July 1st of 2007, the Developed Property Backup Special Tax for any Parcel within such Final Map shall increase by an amount equal to 2.00% of the Backup Special Tax in effect for such Final Map the prior Fiscal Year.

Notwithstanding the foregoing, (i) if the number of Parcels of Single Family Property in a specific Final Map whose Assigned Special Tax as Developed Property has been established is subsequently changed or modified, then the Backup Special Tax will be recalculated for the Parcels of Single Family Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each Parcel of Single Family Property within such changed area shall equal the aggregate Backup Special Tax within the changed area prior to the change or modification in such Final Map divided by the number of Parcels of Single Family Property within such area and (ii) if the number of Parcels of Multifamily Property in a specific Final Map whose Assigned Special Tax as Developed Property has been established is subsequently changed or modified, then the Backup Special Tax will be recalculated for the Parcels of Multifamily Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each Parcel of Multifamily Property within such changed area shall equal the aggregate Backup Special Tax within the changed area prior to the change or modification in the Final Map divided by the revised number of Parcels of Multifamily Property within such area.

4. Multiple Land Use Property

In some instances a Parcel of Developed Property may be assigned to more

than one Land Use Category. The Assigned Special Tax levied on the Residential portion of such a Parcel shall be the sum of the Assigned Special Tax levies for Residential Land Use Category on that Parcel. The Maximum Special Tax levied on the Residential portion of a Parcel shall be the Maximum Special Tax levy that can be imposed on the Residential Land Use Category on that Parcel. The Taxable Non-Residential portion of such parcel shall be subject to the Special Tax in Accordance with the Fifth step of Section D, below.

For purposes of calculating the Backup Special Tax for the Residential Land Use Category of Developed Property under such circumstances, the Acreage assigned to the Residential Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land Use Category as compared with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2006-2007 and for each following Fiscal Year, the Legislative Body shall levy the Special Tax on all Taxable Property in accordance with the following steps:

First: Prior to the issuance of any series of Bonds, the Special Tax shall be levied on each Parcel of Developed Property for which a Building Permit has been issued at 100% of the applicable Assigned Special Tax to be applied to the Cost of the Facilities; subsequent to the issue of the first series of Bonds, the Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax levied on each Parcel of Approved Property and Developed Property shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such Parcel as needed to satisfy the Special Tax Requirement;

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Non-Residential Property up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Sixth: If additional moneys are needed to satisfy the Special Tax Requirement after the first five steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owners' Association Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Seventh: If additional moneys are needed to satisfy the Special Tax Requirement after the first six steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances shall the Special Taxes levied against any Parcel of Residential Property be increased by more than ten percent (10%) per Fiscal Year as a consequence of delinquency or default by the owner of any other Parcel within the CFD.

E. EXEMPTIONS

Land conveyed or irrevocably offered for dedication to a public agency after formation of the CFD and not otherwise exempt pursuant to this Section E, shall be subject to the levy of Special Tax pursuant to Section 53317.3 or 53317.5 of the Act.

The Special Tax shall not be imposed upon any of the following:

The Legislative Body shall not levy Special Taxes on up to 569 Acres of Public Property, Property Owners' Association Property or Non-Residential Property within the CFD which

include, but are not limited to, public streets, water and sewer facilities, flood control drainage channels, public schools or property dedicated and restricted for the use as open space, park, habitat reserve, golf course clubhouse or recreational facilities, non-residential development, or utility property utilized for the provision of services to the public or a property encumbered with public or utility easements making impractical its utilization for other than the purpose set forth in the easement.

After the limit of Acres above has been reached, the Administrator will review additional requests for Exempt Property to verify that Special Taxes that could be levied on Taxable Property in each Fiscal Year, assuming such exemption were approved and assuming the current status of development and the expected development plan for all Parcels within the CFD for which an approved tentative tract map has been issued, are at least 110% of the annual debt service requirements for each Fiscal Year through maturity of the Outstanding Bonds plus estimated annual Administrative Expenses, and if all Bonds of the CFD have not been issued, an amount that takes into account Bonds to be issued for the full Cost of the Facilities. If Special Taxes will not provide at least 110% of the debt service requirements through maturity of the Outstanding Bonds plus estimated annual Administrative Expenses, plus, if all Bonds of the CFD have not been issued, an amount such that taking into account Bonds to be issued for the full Cost of the Facilities, the Special Tax obligation for any additional Public Property and/or Property Owners' Association Property and/or Non-residential Property may prepay pursuant to the provision within Section H., below. Until the Special Tax obligation is prepaid as provided for in the preceding sentence, the parcel will be categorized as Taxable Non-Residential Property, Taxable Property Owners' Association Property and/or Taxable Public Property and will be subject to the levy of the Special Tax as provided for in the Fifth step, the Sixth step and the Seventh step of Section D. above.

For Annexed Property, increases to the stated amount of Exempt Property Acres as stated in the third paragraph of this Section E. will be increased as determined appropriate by the Administrator.

F. MANNER OF COLLECTION, PENALTIES, PROCEDURE AND LIEN PRIORITY

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of 10% of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1st after the delinquency date and the first of each month thereafter until redeemed.

G. APPEALS

Any owner of a Parcel claiming that the amount of the Special Tax levied on such Parcel is not correct and/or requesting a refund may file a written notice of appeal with the

Administrator once the Special Tax in dispute has been paid but, not later than 12 months after the mailing of the property tax bill on which the Special Tax appears. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, convene the CFD Special Tax Review Board and decide the appeal. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such owner.

H. PREPAYMENT OF SPECIAL TAX

The Maximum Special Tax obligation may only be prepaid and permanently satisfied by a Parcel of Developed Property or Public Property, Property Owners' Association Property and/or Non-residential Property that is not Exempt Property pursuant to Section E. The Maximum Special Tax obligation applicable to such Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment.

No Special Tax prepayment in full or prepayment in part shall be allowed unless the amount of Maximum Special Taxes, based on the categorization and classification hereunder of all Parcels on the date of the calculation, that may be levied on Taxable Property in each Fiscal Year commencing with the Fiscal Year of the proposed prepayment is at least equal to the sum of (a) 1.1 times the debt service on the Outstanding Bonds due in the calendar year which commences in such Fiscal Year (assuming a full year's debt service); plus (b) the Administrative Expenses for such Fiscal Year.

An owner of a Parcel intending to prepay the Maximum Special Tax obligation for the Parcel shall provide the Administrator with written notice of intent to prepay, and within 15 business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for the Parcel. Within 15 business days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the Prepayment Amount for the Parcel. Prepayment must be made not less than 60 business days prior to any redemption date, unless authorized by the Administrator, for any Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

1. Prepayment in Full – Before the Administrator has determined that the full Cost of the Facilities has been provided for

The prepayment before the Full Cost of the Facilities has been provided for shall equal the present value of the remaining payments of the Special Tax (computed assuming that the Maximum Special Tax will be paid through Fiscal Year 2049-2050, starting from December 10th of the Fiscal Year of the prepayment and annually on such date thereafter and using a discount rate equal to 7.00% per year), and *provided* that the foregoing Prepayment Amount shall be increased if the Administrator determines that such increase is necessary so that the total Prepayment amount will

be at least equal to the Parcel’s TUMF obligation and estimated Administrative Expenses. The CFD shall not be obligated to redeem Bonds, but may apply the Prepayment Amount and Bond Redemption Amount towards the Costs of the Facilities.

With respect to any Parcel for which the Special Tax obligation is prepaid, the Legislative Body shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien for the Parcel, and the obligation of the Parcel to pay the Special Tax shall cease.

2. Prepayment in Full – After the Administrator has determined that the full Cost of the Facilities has been provided for

The Prepayment Amount (defined below) after the Full Cost of the Facilities has been provided for shall equal the sum of the amount as identified below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
Total: equals	Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Parcel.
2. For Parcels of Developed Property, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel. For Parcels of Public Property, Property Owners' Association Property and/or Non-residential Property to be prepaid, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel.
3. Divide the Maximum Special Tax obligation derived pursuant to paragraph 2 by the total calculated Maximum Special Taxes for the current Fiscal Year for the entire CFD.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the “*Bond Redemption Amount*”).
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the “*Redemption Premium*”).
6. Determine the amount needed to pay interest on the Bond Redemption Amount

from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax prepayments.

7. Determine the Special Taxes levied on the Parcel in the current Fiscal Year which have not yet been paid.
8. Compute the amount the Administrator reasonably expects to derive from the investment of the Bond Redemption Amount from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
9. Add the amounts derived pursuant to paragraphs 6 and 7 and subtract the amount derived pursuant to paragraph 8 (the "*Defeasance Amount*").
10. Verify the administrative fees and expenses, including the costs of computation of the Prepayment Amount, the costs to invest the Prepayment Amount, the costs of redeeming the Outstanding Bonds, and the costs of recording notices to evidence the prepayment of the Maximum Special Tax obligation for the Parcel and the redemption of Outstanding Bonds (the "*Administrative Fees and Expenses*").
11. The reserve fund credit (the "*Reserve Fund Credit*") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
12. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit (the "*Prepayment Amount*").
13. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and the Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds, make debt service payments, or be applied towards the Costs of the Facilities. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Maximum Special Tax obligation prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 7 (above), the Administrator shall remove the current Fiscal Year's

Special Tax levy for the prepaying Parcel from the County tax rolls. With respect to any Parcel for which the Special Tax obligation is prepaid, the Legislative Body shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien for the Parcel, and the obligation of the Parcel to pay the Special Tax shall cease.

3. Prepayment in Part – After the Administrator has determined that the full Cost of the Facilities has been provided for

The Maximum Special Tax on a Parcel of Developed Property may be partially prepaid in increments of \$5,000, only after the Administrator has determined that the full Cost of the Facilities has been provided for. For purposes of determining the partial prepayment amount, the provision of Section H.2 shall be modified as provided by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Prepayment Amount calculated according to Section H.2

F = the percent by which the owner of the Parcel(s) is partially prepaying the Maximum Special Tax obligation.

A = the Administrative Fees and Expenses determined pursuant to Section H.2

With respect to any Parcel for which the Maximum Special Tax obligation is partially prepaid, the Administrator shall (i) distribute the Partial Prepayment as provided in Paragraph 13 of Section H.2, and (ii) indicate in the records of the CFD that there has been a Partial Prepayment for the Parcel and that a portion of the Maximum Special Tax obligation equal to the remaining percentage (1.00 - F) of the Maximum Special Tax obligation will, and the Special Tax shall continue on the Parcel pursuant to Section D.

I. TERM OF THE SPECIAL TAX

Special Taxes shall be levied for the period necessary to satisfy the Special Tax Requirement, but in no event shall Special Taxes be levied after Fiscal Year 2049-2050 or the latest scheduled maturity of the final series of Bonds, whichever is sooner.
