(6) Perform such duties, in the scope of disaster management, as may be assigned by the Director of Emergency Services.

Section 10. RIVERSIDE COUNTY OPERATIONAL AREA. The Riverside County Operational Area is an intermediate level of the state emergency services organization consisting of the County of Riverside, all political subdivisions, and those special districts that have signed an agreement and become part of the Operational Area within the geographic boundaries of Riverside County. The Riverside County Operational Area is used for the coordination of emergency activities and to serve as the link in the system of communications and coordination between the state’s emergency operation centers and the emergency operation centers of the county and all political subdivisions comprising the Riverside County Operational Area.

a. The Riverside County Board of Supervisors has designated EMD as the lead agency for coordination of emergency and disaster planning, mitigation, preparedness, response and recovery for the Riverside County Operational Area.

b. The operational area authority and responsibility under the SEMS or the NIMS shall not be affected by non-participation of any local government(s) within the operational area.

c. As the lead agency for the operational area, EMD shall perform those duties as provided for in this ordinance and any associated laws, regulations, policies and procedures promulgated to effect those duties including but not limited to:
(1) Develop and administer operational area agreements.
(2) Coordinate information, resources and priorities among local governments within the operational area.
(3) Coordinate information, resources and priorities between the regional level and the local government level. Coordination of fire and law enforcement resources shall be accomplished through their respective mutual aid systems.
(4) Use multi-agency coordination to facilitate decisions for overall operational level emergency response activities.
(5) Coordinate resources within the county not covered by normal law enforcement or fire mutual aid.

d. The Emergency Management Department shall establish policies and procedures for the activation, staffing and management of the County and Operational Area EOC.
e. The Operational Area Planning Committee is established to provide technical and subject matter input from stakeholders to the Disaster Council and EMD concerning Operational Area emergency and disaster mitigation, planning and preparedness activities. Membership in the committee shall be approved by the Disaster Council and shall include members of the Emergency Management Organization who have signed an Operational Area Agreement.

Section 11. POWERS OF SUCCESSION. Each person who shall succeed to each position of office as provided herein, and as provided in the EOP of the County of Riverside, shall assume all of the powers and duties of the office succeeded to immediately upon such succession.

Section 12. ORDERS OF MEMBERS. During a Local Emergency, State of Emergency, and/or State of War Emergency, or a proclaimed emergency, each member of the County Emergency Management Organization shall have authority to require that all persons shall follow reasonable orders given within the scope of functions in order to execute the EOP of the County of Riverside. The willful failure of any person to follow such reasonable order or orders shall be a misdemeanor punishable by a fine of not more than $1,000.00 or by imprisonment for not more than six (6) months or both.

Section 13. CONTINUITY OF GOVERNMENT. The line of succession for key personnel of the government of the County of Riverside shall be:

a. If the Chairperson of the Board of Supervisors is unavailable, the Chairperson of the Board shall automatically be succeeded by the following officials in the order named:
   (1) Vice-Chairperson of the Board of Supervisors
   (2) The remaining County Supervisors followed consecutively in the sequence of the numbers of their respective Supervisorial Districts

b. Standby Officers are excluded from the line of succession for the Chairperson of the Board of Supervisors.
c. For other elected officials, in order of descending authority among existing subordinates, and thereafter as provided by the Board of Supervisors.

d. Standby Officers:
   (1) Each member of the Board of Supervisors, pursuant to Section 8638 of the Government Code, has the authority to appoint one to three standby officers to act as a successor for that member of the Board.
   (2) Standby Officers shall be appointed yearly.
   (3) If more than one Standby Officer is appointed by a Board member, the Standby Officers shall be designated as successor 1, 2, and 3.
   (4) Standby Officers shall succeed their Board member based on their designation.
   (5) In accordance with Section 8640 of the Government Code, each Standby Officer shall take an oath of office required for the position they have been selected for as a successor. Persons appointed as standby officers shall serve in their posts as standby officers at the pleasure of the Board of Supervisors appointing them and may be removed and replaced at any time with or without cause.

e. The City of Indio is hereby designated as the alternate seat of government for the County of Riverside. The alternate seat shall be used at the determination of the Board of Supervisors or the Director of Emergency Services when there is no ability to continue with County business from a location within the general jurisdiction of the City of Riverside due to war or peacetime emergencies. If the alternate seat for the County of Riverside is activated, all business of the County transacted there shall be legal and binding as if transacted at the county seat.

f. Two emergency operating centers shall be maintained to meet emergency contingencies, and shall be maintained in accordance with Board Policy H-14. One of these is to be located in the county seat and the other in the alternate seat of government.

Section 14. EMERGENCY PROCLAMATIONS. By resolution adopted pursuant to this Article, the Board of Supervisors hereby designate the County Chief Executive Officer as the Director of Emergency Services. The Director of Emergency Services shall have the power to proclaim a Local Emergency.

   a. If the Board of Supervisors is in session, the Director of Emergency Services shall request that the Board of Supervisors proclaim the existence or threatened existence of a local emergency, and recommend that the Board of Supervisors request that the Governor proclaim a State of Emergency only when, in the opinion of the Director of Emergency Services, the locally available resources are inadequate to cope with the emergency.
b. In the event the Board of Supervisors is not in session, the Director of Emergency Services shall have the authority to initiate a Local Emergency.

c. Whenever the Director of Emergency Services proclaims a Local Emergency, the Board of Supervisors shall take action to ratify the proclamation within seven days thereafter or the proclamation shall have no further force or effect.

d. The Board of Supervisors shall review, at least once every 60 days, the need for continuing the local emergency until the Board of Supervisors terminates the local emergency. The Board of Supervisors shall proclaim the termination of the local emergency at the earliest possible date that conditions warrant.

Section 15. POWERS AND AUTHORITY OF THE COUNTY HEALTH OFFICER. When there has been an event as described in Section 4 (z) of this ordinance and as defined in Section 101080 of the California Health and Safety Code, the County Health Officer may declare a Public Health Emergency in the County or any area thereof that may be affected, if it is reasonably determined that the event is an immediate threat to public health.

a. The Public Health Emergency declaration shall not remain in effect for a period in excess of seven days unless the Board of Supervisors has ratified it.

b. The Board of Supervisors shall review, at least every 30 days until the local health emergency is terminated, the need for continuing the local health emergency and shall proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination.

c. Section 101040 of the California Health and Safety Code states that the County Health Officer may take any preventive measure that may be necessary to protect and preserve the public from any public health hazard during any State of War Emergency, State of Emergency, or Local Emergency within his or her jurisdiction. "Preventive measure" means abatement, correction, removal, or any other protective step that may be taken against any public health hazard that is caused by a disaster and affects the public health. Funds for these measures may be allowed pursuant to Sections 29127 to 29130, inclusive, and 53021 to 53023, inclusive, of the Government Code, and from any other money appropriated by a County Board of Supervisors or a City governing body to carry out the purposes of Section 101040. The County Health Officer, upon consent of the County Board of Supervisors or a City governing body, may certify any public health hazard resulting from any disaster condition if certification is required for any federal or state disaster relief program.

d. The County Health Officer shall manage the event in accordance with the SEMS, which is the official statewide method for disaster response management. According to the Government Code Section 8607 (e)
(1), "each local agency, in order to be eligible for any funding of response-related costs under disaster assistance programs, shall use the standardized emergency management system as adopted pursuant to subdivision (a) to coordinate multiple jurisdiction or multiple agency operations."

e. The County Health Officer shall establish a line of succession for the position of County Health Officer.

f. In the absence of a County Health Officer or designee, the County Director of Emergency Services shall act as and have the authority of the County Health Officer.

Section 16. PENALTIES. It shall be a misdemeanor and shall be punishable by a fine of not more than $1,000 or by imprisonment for not more than 6 months, or both, for any person during an emergency:

a. Willfully to obstruct, hinder or delay any member of the Riverside County Emergency Management Organization in the enforcement of any lawful rule, regulation or order issued pursuant to this ordinance, or in the performance of any duty imposed upon by virtue of this ordinance;

b. To do any act forbidden by any lawful rule, regulation or order issued pursuant to this ordinance; if such act is of such a nature as to give, or be likely to give, assistance to the enemy, or to imperil life or property, or to prevent, hinder, or delay the defense or protection of person or property;

c. To wear, carry or display, without authority, any means of identification specified by the County of Riverside and/or disaster agencies of the Federal or State Governments.

Section 17. SEVERABILITY. If any provision of this chapter or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications, and to this end the provisions of this chapter are declared to be severable."

Section 2. This ordinance shall take effect thirty (30) days after its adoption.
